

SAS: The Week Ahead #4

Name:

Dates:

“Teamwork divides the task and multiplies the success.”

~Author Unknown

Terms: Teamwork, productivity, study group

Monday:

Activity: Teamwork & productivity practice

Learning Target: I will be able to describe the strategies that make me a contributing member of a team.

Conceptual Question: What kind of team member do I want to be?

What's Due: Nothing

Homework: Make sure you have “Talking to Your Teachers” completed by Friday

Tuesday:

Activity: Study groups- practicing math together

Learning Target: I will learn the strategies that an effective study group employs to be productive with their time together.

Conceptual Question: What kind of strategies can my study group utilize to help us be productive?

What's Due: Nothing

Homework: None

Wednesday:

Activity: Vocabulary strategies

Learning Target: I will use various strategies to help me gain an understanding and application of vocabulary words.

Conceptual Question: Which strategy do I like the best? Why?

What's Due: Nothing

Homework: Finish defining the words on “Research Project/Paper Vocabulary” with your study group tomorrow

Thursday: Guest Teacher

Activity: Study groups- learning vocabulary together

Learning Target: I will utilize my vocabulary strategies, my teamwork strategies, and my vocabulary strategies to complete the activity.

Conceptual Question: How well did I contribute to the group task?

What's Due: Nothing

Homework: Finish, on your own, what you have not finished in class.

Friday: Guest Teacher

Activity: Research Project work day

Learning Target: I will take time to work on my project as directed by the guest teacher.

Conceptual Question: What are the next steps I need to take on my project?

What's Due: “Talking to Your Teachers” (6 signatures) and “Research Project/Paper Vocabulary”

Homework: Continue working on your project
