

SAS: The Week Ahead #7

Name:

Dates:

Monday:

Activity: Mnemonic memorization strategies

Learning Target: I will use creative acronyms to help me memorize countries for my map

Conceptual Question: How creative can I be with my memorization techniques?

What's Due: Nothing

Homework: Apply these strategies to my map quizzes

Tuesday:

Activity: Math study session

Learning Target: I will use my study group and active math studying strategies to review for this week's math quiz

Conceptual Question: What do I still need to study, what questions do I have for my teacher?

What's Due: Extra-credit quiz

Homework: Study for math quiz

Wednesday:

Activity: Creative writing

Learning Target: I will use the writing Learning Targets and the 6 Traits rubric to write a creative story

Conceptual Question: How does my story fit the writing rubric?

What's Due: Finish your story

Homework: None

Thursday:

Activity: Creative writing Part 2

Learning Target: I will score other writings according to the rubric to help me see various writing styles and see how to score them

Conceptual Question: How will I score someone's writing, and how can I use this influence to improve my writing?

What's Due: None

Homework: None

Friday:
