

This Week in Science: #10

Name:

Dates:

Task:

Most institutions demand unqualified faith; but the institution of science makes skepticism a virtue.

~Robert K. Merton

Terms: See attached vocabulary review sheet

Monday:

Activity: a) Vocabulary review and b) concept mapping

Learning Target: I will know the meaning of all the words covered in this unit, and will be able to make a concept map relating them to one another.

Conceptual Question: What do all these terms mean and how are they related?

What's Due: Lab 18

Tuesday:

Activity: Jeopardy game with a handout for taking notes

Learning Target: I will understand the extent of concepts presented and what is expected of me on the test.

Conceptual Question: Am I ready for the test? If not, what do I need to do this week to review?

What's Due: Answers to all the 'conceptual questions' from TWIS #6-9

Wednesday:

Activity: Half day: Silent reading

Learning Target: none

Conceptual Question: none

What's Due: Nothing

Thursday:

Activity: a) Finish 'Strategies for Multiple Choice Questions' and b) last minute questions before test

Learning Target: I will be able to use the strategies to improve my score on the multiple choice part of the test.

Conceptual Question: Am I ready for the test? If not, what do I need to do this evening to review?

What's Due: Nothing

Friday:

Activity: Test on Labs 11-18

Learning Target: I will demonstrate my learning on 'Properties of Matter' Part II (mixtures & solutions)

Conceptual Question: none

What's Due: Nothing
