

# Reading Your Progress Reports

Name:

Week:

Task:

---

1. For each progress report, compare the score of your tests/quizzes to the overall term grade. What type of correlation do you notice?
  
2. How closely do the numbers in the 'Earned' column come to the 'Possible' column?
  
3. Using a happy color, highlight the scores you are pleased with. Using an unhappy color, highlight the scores you are not happy with. Reflect on what you notice about your efforts in each class.
  - Math:
